

Welcome

Grace and Peace to you in the name of our Lord Jesus Christ! We are glad that you are with us today;

Our gathering will begin with a time of Christ centered, spirit filled worship, followed by a message from God's word. If you have children with you today, we will dismiss the children (ages 4-10) to children's church classes before the message begins. Nursery is available after worship and it is staffed.

If you have prayer needs we will have prayer teams available after the service to pray with you or you can fill out the attached prayer request card.

We hope you will be touched by the presence of God, as we worship together. Come, let us worship and bow down!
